WEAK KIDNEYS MAKE WEAK BODIES.

Kidney Diseases Cause Half the Common Aches and Ills of Humanity.

As one weak link weakens a chain, so weak kidneys weaken the whole body and hasten the final breaking-

Overwork, strains, colds and other causes injure the kidneys, and when their activity is lessened the whole body suffers from the excess of uric

poison circulated in the blood.

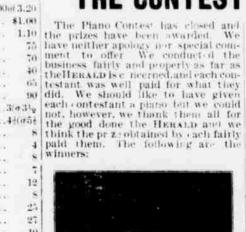

Aches and pains and languor and urinary ills come, and there is an ever-increasing tendency towards diabetes and fatal Bright's disease. There is no real help for the sufferer except

kidney help. Doan's Kidney Pills act directly on the kidneys and cure every kidney ill. The cures are the proof.

I scarcely knew what it was to be without a plaster on my back, and at night, after standing all day at my work, my suffering was always worse. As Doan's Kidney Pills were advertised and recommended by people right here at home. I procured a box and obtained such relief that kept on using the remedy until al pain and lameness in my back had left me. I soon felt as strong and well as I ever did. I was so surprised with the result obtained that I gave a statement for publication, advising the use of Doan's Kidney Pills by kid-ney sufferers. During the six years that have elapsed I have had no indi-cation of a return of the trouble, exept when a cold settled in my back or feel slightly tired or lame in the
